

Lavender Culinary Delights

Decadent dark **chocolate sauce**. Thick and creamy. Lavender and chocolate pair amazingly well. Our blends add yet another level of deliciousness. Makes wonderful hot chocolate. Add to coffee drinks. Use as a desert topping or dip fruit. Available in Lavender, Lavender Orange, and Lavender Peppermint.

Lavender Infused Honey is truly delicious. We use filtered raw honey and gently infuse it. Taking care not to overheat or alter the natural properties of the honey. We infuse with lavender and orange blossom to create our Lavender Neroli Honey.

Versatile **Lavender Syrup** is the perfect balance of sweet, herbal, and floral flavor. Mostly known for use in beverages. We encourage other uses, like drizzling on desert or fruit. We have created some amazing lavender blended flavors for your consideration as well. A top seller.

The perfect **shortbread cookies**. Buttery and sweet. Baked and packaged in convenient two packs. Wonderful with our teas! Available in Lavender and Lavender Lemon.

Wonderfully light and intriguing **Lavender and White Chocolate Score Mix**. Simple to make and addictively flavored. Customers love it. Pair with our Wayward Winds Teas.

Lavender Sugars can be used in a multitude of ways. Stir into hot beverages or iced tea. Sprinkle on cookies, scones, or fruit. Replace a portion of the sugar in any recipe with Lavender Sugar to add the flavor of lavender to your creations. Available in Lavender, Lavender Vanilla, Lavender Lemon and Lavender Peppermint.

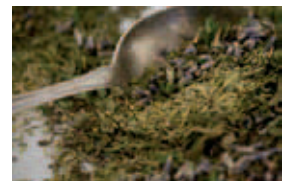

Wayward Winds Lavender **Extracts** are used in the same way other extracts are used. In baking, beverages, and other foods. Our extracts can replace other extracts called for in recipes to add the amazing flavor of lavender. Available in Lavender, Lavender Lemon, Lavender Peppermint, and occasionally Lavender Vanilla.

Connoisseurs of **vinegar** love our **Lavender Balsamic Vinegar**. Lavender adds a surprising twist. Excellent on fruit, as a bread dip, and every other way vinegar is traditionally used.

Expertly blended **teas**. Black teas, green tea, rooibos, honeybush, and several herbal blends. With so many choices there is something to please every tea drinker.

We have some amazing **salt and spice blends** with lavender. Tried and true blends that include savory, sweet and spicy options. Use our Lavender Gourmet Pepper blend as a rub on a variety of meats. Herbs de Provence is amazing in pasta or rice. And that's only a few examples of a long list of possibilities. Ten different blends are available. Something to intrigue every chef.

**Wholesale private label and ready to label options available.
Bulk for diy enthusiasts and restaurants.**
