## New product introductions!

Our products are made with high quality ingredients. We want them to be the best option available. We put a lot of effort into product development. We test market all our products before we offer them to our customers. We only introduce what makes the cut and meets our high quality standards. Be assured these products will please your customers and provide you with products you'll be proud to have on your shelf.

### New Lavender Lemonade - powdered drink mix

An all natural powdered lavender lemonade mix. Mix by the glass or in a large batch. Easy to serve on the farm or at events. Delightful flavors of lavender and lemon with a touch of honey. Available packaged private label and ready-to-label, or purchase bulk to serve or package yourself.

### New Lavender Chocolate Chip Brownie Mix

Rich and decadent brownie mix with real cocoa, chocolate chips, and lavender. Easy to make and delightful to devour. These are a big hit already. Available packaged private label, ready-to-label, and bulk.

### Two New Scone Mixes

LOL (lavender orange lemon) Scones and Herbs de Provence Scones join our already popular Lavender White Chocolate Scones, making a well rounded offering. LOL for a zesty treat, Herbs de Provence for savory, and Lavender White Chocolate for sweet. Easy "just add water" mixes that make light and fluffy scones every time. Available packaged private label, ready-to-label, and bulk.

### New Chill Pill / Bath Bombs

Large fragrant bath bombs that add fiz and foam to your bath. Available in lavender and several lavender blended fragrances. Your customers are sure to find one they like. Fun chill pill embossing is an added attraction. Available packaged private label, ready-to-label, and unlabeled.

### New Pillow Potion / Pillow Mist

Pillow Potion joins our list of popular mists. Our mists are wonderfully fragrant and don't separate. They evaporate well and are safe to use on fabrics, furniture, or directly on skin. Great size for travel or in a purse. Available packaged private label,
