Premium Tea Blends

We use only fresh premium ingredients in our blends, many of them are organic. Each tea we introduce goes through extensive experimentation, taste testing, and marketability testing before we offer them to you. We carefully source each component with emphasis on organic ingredients, palatability, and visual appeal. We're confident you and your customers will enjoy what we have to offer.

Herbal Blends / Tisane:

Lavishmint - a soothing combination of refreshing mints, and lavender.

Tranquilitea - chamomile, mint, rose petal, passion flower and more.

Lavender Lemon Spice - a balanced blend of citrus and spice.

Black Tea Blends:

Lavender Earl Grey - lavender adds an interesting twist to a traditional favorite.

Lavender Ambrosia - blend of fruit, floral, and citrus with just a little spice.

Serendipitea - spicy, nutty, with a bit of apple and floral accents.

Green Tea Blend:

Lavender Dragon - a sencha green tea accented by mangos and floral notes.

Lavender Rose - bergamot flavored sencha green tea with rose petals and lavender.

Tea Alternative Blends:

Lavender Sunrise - honeybush with lemongrass, mint, ginger, light florals.

Lavender Vanilla Rooibos - rooibos with lavender and an infusion of vanilla.

We primarily sell our teas loose leaf, packaged in tins or pouches to preserve freshness, flavor, and color. We also furnish them bulk by the lb. Alternative packaging options, private labeling, and ready to label are available for all of our premium tea blends.
